Total height cm	54	69	94,5	109,5	124,5	135	150																																				
	A complete cabinet also needs a base (100 mm high) and a top (30 mm high). It is possible to stack two or more cabinet bodies. In this case only one top is necessary. It is possible to obtain several combinations by stacking the cabinet bodies (see table on the right-hand side). You can order the complete cabinet (base, body and top) or the single elements separately.	SMALL CABINETS Internal cm 73x105 External cm 75,5x116			BIG CABINETS Internal cm 93,5x132,5 External cm 96x144
