

Oil Colours "Artisti" Maimeri Series					Oil Colours "Van Dyck" Ferrario Series					Oil Colours "Classico" Maimeri Series				
 Characterized by superior quality ingredients and by a special process that combines the best of tradition and innovation. The mixtures have a medium degree of dryness typical of the oil art to allow the best use of nuances.					 All dyes are mixed together. Pigments are accurately selected to guarantee high resistance to light, brightness and coloring power.					 Light-resistant, bright, vivid and mixable colours. Good-quality colours which do not contain wax or resins. Made from pigments with a high degree of lightfastness.
